Next Messy Church at Home: May & June

Messy Activities:

Barbecue Bananas

You need: Bananas, Chocolate buttons, foil and a knife

Wash your banana then make a cut length ways down the banana (don't cut it in half!!!) Now cram as many chocolate buttons along the slit. Wrap in foil, making a tie at each end (like a wrapped sweet). Place it in the embers of your barbecue or on top of the grill. Turn through cooking. Usually about 5 to 10mins. Once the chocolate has melted, enjoy, but be careful of the hot chocolate.

No barbecue - You can pop your banana in the oven.

Celery stamped rainbow fish

Cut up pieces of celery and show them how to use those as a paint stamp! The flat surface where you cut each piece is the perfect shape for printing fish scales all over a pre-printed or sketched out fish.

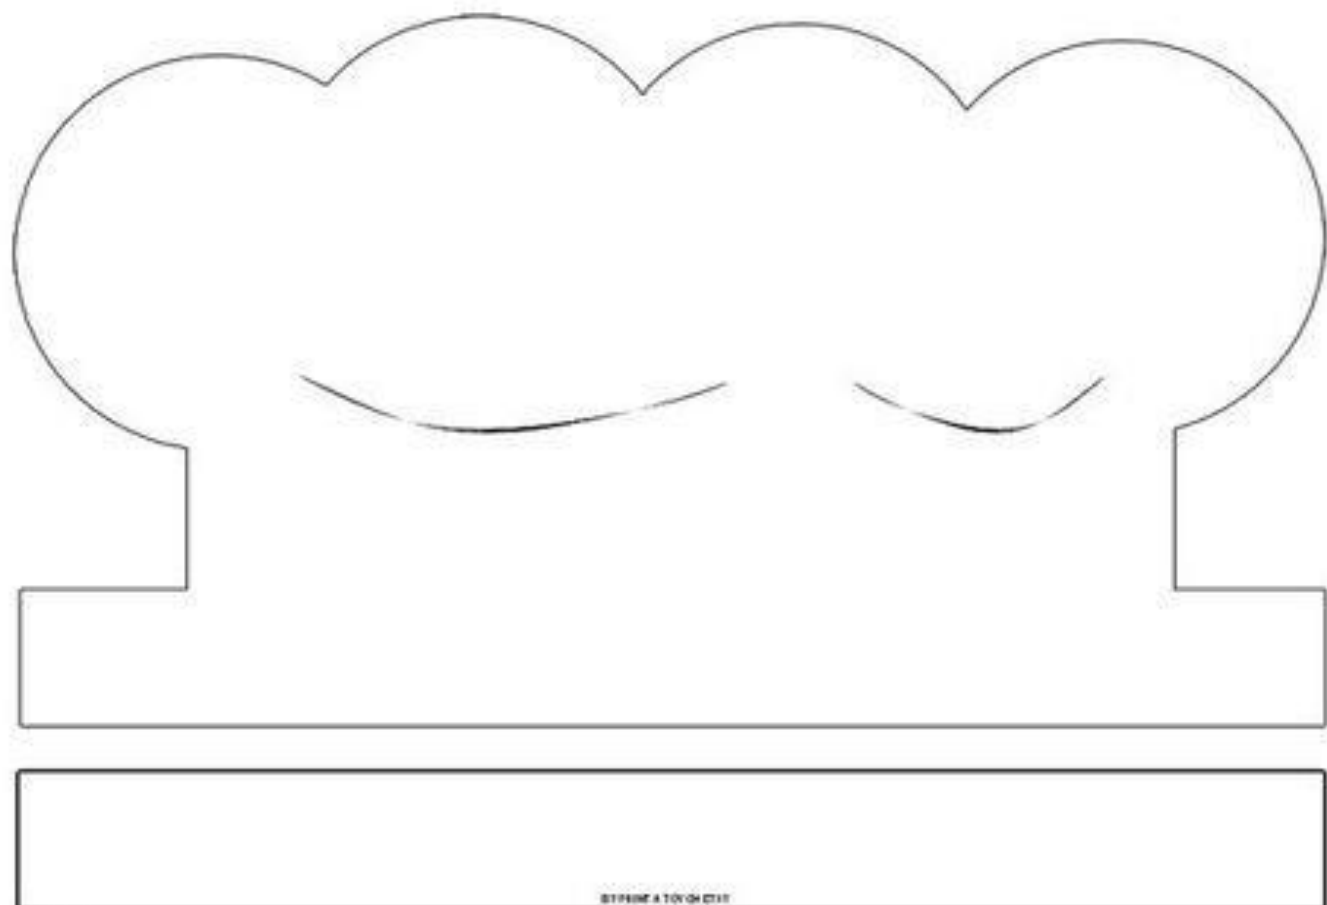

Goldfish paper plate

A rounded fish from a paper plate with an angular mouth piece cut out, using the piece you cut from the mouth to make the tail. Children can decorate the fish however they want. Stick pasta shapes or tissue paper scales.

Chef Hat

Make a tall chef's hat – with designs of your favourite foods! Use a large cereal box or print 2 copies of the chef hat template.

Chef's Hat

1. Cut out both pieces.
2. Tape or staple one side of front and back bands. Fit to child's head and attach the other side.
