Activities

Try these activities and think about our story we shared at Messy Church. If you can't get exactly these materials, just see what you can find around the house.

Blast Off!

Did you see the lift off of the Falcon 9 on May 30th? Watch the lift off:

Make your own rocket from junk, lego, etc.

Be ready to show everyone at Messy Church at Home.

Mini Pitta's – to have for tea!

You will need: Pitta breads, Grated Cheese, Tomato Paste (puree) and your favourite topping: ham, pineapple, pepperoni

1. Spread tomato puree on one side of your pitta
2. Cover with your favourite pizza topping
3. Finally sprinkle with grated cheese and cook your pitta under the grill. Enjoy!

Jairus' house

You will need: corrugated cardboard; cardboard; pencils; sticky tape; scissors; paint and paintbrushes.

Using cardboard boxes, paper, sticky tape, make a house!!!

Obstacle course

You will need: various objects to create an obstacle course

This all depends on your building and the space allocated for this activity. If possible, make it an outdoor one. You could even get your family to come up with great obstacle ideas.

You can find the story in Mark 5:21–43

Send us a photo of you all doing your Messy Church at home!

We miss you; we hope you're well and safe and we look forward to seeing you again.
